Dance Marathon @ BRHS 2020 Committee Member Application

Below are all the sub-committees that will need to be formed in order to host the dance marathon, as well as a brief description of what they will be doing. Please note that each committee requires hard work and dedication. Rank what committee you would like to be in the most, with 1 being the most and 7 the least.

We will try our best to put everyone in their top committee, but we will need to focus more on the betterment of the event.

Publicity and Promotional: Will be working with social media platforms and the school news in order to get the word out about this event. They will be in charge of creating flyers and posters to hand out around the community, as well as around school.

Dancer Relations: Will be in charge of recruiting members and making sure that they are completely registered for the event. They will also be in charge of creating incentives for dancers to raise more money, and keeping dancers motivated to fundraise.

Finance and Sponsorship: Will be working with local companies to receive donations, as well as keeping track of the money raised. This can involve letter writing to both companies and community members.

Catering: Will be in charge of the food aspect of the event. You will need to contact different companies such as Publix, Target, etc. to see if they are willing to donate food, as well as organize when they food will be eaten, how it will be served, etc.

Morale: Will be in charge of keeping the dancers entertained. Will have to find/brainstorm different dances as well as teach them to the dancers. Will also work with the event operations committee to plan performances, music, etc.

Event Operations: Will be working with the Morale committee to make sure dancers are entertained during the entire event. Will also coordinate with speakers, dj's, and plan performances. Will be in charge of making the event schedule and figuring out the logistics of the event.

Hospital Relations: Will be working with our All Children's Miracle Network Coordinator in order to help motivate people to fundraise. This includes getting families of those at All Children's Miracle Network to send videos, meet us, and make the dancers connect to the hospital on a personal level.

Committee Meetings will predominantly by Friday mornings at 7:00 am in BRHS Room 403, but other meetings may be scheduled at committee chair discretion.
